This manga has a companion light novel called 40x40ちくわ結婚 (もっとう)
Parts of it are included in this extra. Some noteworthy bits that didn't make the cut:

The high school dorm residents kept cold-shouldering Eiji for his sleep bruxism despite his good rep before Koichi came into the picture.

Koichi sleeps in one bed with Eiji until they were 24, that is until Rika proposes a marriage of convenience to have children. Koichi, at the end of his rope, accepts. He asks Eiji what to name the lod, suggests for Eiji to get married, and live within the same building.

Eiji complies right away and meets Reiko. They negotiate the terms of their own marriage of convenience. Queue many sleepless nights.

The bar in chapter 4 is a show pub called "Purple Butterfly." Aika, the one Eiji slept with, is the proprietor.

We got these from a review in dhl-dhl.net since we couldn't find a copy. If you know where to get the light novel, please drop us an email at eyesdesutara@gmail.com. Would love to read how a salesman and a lawyer negotiate marriage!

NOTE: IN JAPAN, YOUR ANNUAL HEALTH CHECK TEST RESULTS ARE GRADED FROM "A" TO "F"
A "C" WOULD IMPLY OBSERVING YOUR CONDITION, ON SOME LIFESTYLE IMPROVEMENT IS IN ORDER

THEN LOWER YOUR BLOOD PRESSURE. ARE YOU LISTENING ME ALL ALONE?

BECAUSE I'M NOT REGAINING MYSELF ANYMORE. LIVE A GOOD AGE SO WE CAN TRAVEL TOGETHER! WE CAN EVEN GO ABOARD AFTER AN ORIGIN TOUR!

THEN GET A BETTER HOLD OF YOURSELF! YOU GOT TO LIVE LONGER EVEN FOR JUST A BIT!

HMM? WHY GET SOMETHING SO DEAR-SAVING?

YEAH
